CIVIL RIGHTS CERTIFICATION^(QHWRA)
NONDISCRIMINATION-EQUAL HOUSING OPPORTUNITY-POLICY

It is the policy of the Board of Commissioners of the Chipley Housing Authority (HA) to comply with all applicable laws relating to Civil Rights, including Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988), Executive Order 11683, Section 504 Rehabilitation Act of 1973, the Age of Discrimination Act of 1975, Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern), any applicable state laws or local ordinances and any legislation protecting the individual rights of tenants, applicants or staff that may subsequently be enacted. **(required 24CFR -960.203)**

HA shall not discriminate because of race, color, sex, religion, family status, disability, national origin in the leasing, rental, or other disposition of housing or related facilities, including land, that is part of any project or projects under HA's jurisdiction covered by a contract for annual contributions under the United State Housing Act of 1937, as amended, or in the use or occupancy thereof. **(required 24 CFR -100.5)**

HA shall not on account of race, color, sex, religion, family status, disability, or national origin:

- (a) Deny to any family the opportunity to apply for housing nor deny to any qualified applicant the opportunity to lease housing suitable to its needs;
- (b) Provide housing which is different from that provided to other;
- (c) Subject a person to segregation or disparate treatment;
- (d) Restrict a person's access to any benefit enjoyed by other in connection with the housing program;
- (e) Treat a person differently in determining eligibility or other requirements for admission;
- (f) Deny a person access to the same level of service; or
- (g) Deny a person the opportunity to participate in a planning or advisory group, which is an integral part of the housing program.

HA shall not automatically deny admission to a particular group or category of otherwise qualified applicants (e.g., families with children born to unmarried parents, or families whose head or spouse is a student). Each applicant in a particular group or category must be treated on an individual basis in the normal processing routine. **(24CFR -960.2050)**

HA will identify and eliminate situations and procedures that create a barrier to equal housing opportunity to all. In accordance with Section 504, and Fair Housing Amendments Act of 1998 HA will make structural modifications to its housing and non-housing facilities **(CFR -8.21, 8.23, 8.24 and 8.25)** make reasonable accommodations **(CFR - 100.204)**, or combinations of the two, to permit people with disabilities to take full advantage of the housing program.

- (a) In making reasonable accommodations or structural modifications for otherwise qualified persons with disabilities, HA is not required to:
 - (1) In an existing housing program, make each of its existing facilities accessible (24 CFR -8.24 (a) (1) or make structural alterations when other methods can be demonstrated to achieve the same effect; **(24CFR -8.24 (b))**

- (2) Make structural alterations which require the removal or altering of load-bearing structural member **(24CFR -8.32 (c))**
- (3) Provide and elevator in a multifamily housing project solely for the purpose of locating accessible units above or below the grade level; **(24 CFR -8.26)**
- (4) Take any action that would result in a fundamental alteration in the nature of the program;
(24 CFR -8.24 (a) (2))
- (5) Take any action that would result in an undue financial and administrative burden on the Authority **(24 CFR -8.24 (A) (2))**

HA will no permit these policies to be subverted to do personal or political favors. Accepting an applicant from a lower waiting list position before one in a higher position violated policy, federal law, and the civil rights of the other families on the waiting list. **(24 CFR -906.204 (a) (3) (ii);** However the HUD policy of skipping may be employed to achieve "Income Mixing" and Deconcentration Ratio.

Income Targeting and Tenant Selection Policy (RA)
De-concentration

It is the policy of the Board of Commissioners of the Chipley Housing Authority to achieve the primary goals of (A) prohibition of concentration of low-income families in Public Housing, and (B) income targeting.

The Chipley Housing Authority may not concentrate very low-income families in Public Housing units in certain Public Housing Developments or certain buildings within developments. Chipley Housing Authority will submit with its annual PHA plan an admission policy designed to provide for de-concentration of poverty and income mixing. Chipley Housing Authority may offer incentives for eligible families having higher incomes to occupy dwelling units in developments predominantly occupied by eligible families having lower incomes. The skipping of a family on the waiting list to reach another family to implement de-concentration may be utilized as permitted by H.U.D. This policy will not interfere with the use of site-based waiting list.

Not less than 40% of new families will have incomes at or below 30% of the area median income.

To the extent the PHA exceeds the income targets in the tenant-based program by up to ten percent of that program's size, the PHA may admit that many fewer of the 40% (but not less than 30%) of new public housing families at relatively higher income families move into public census tract having a poverty rate of at least 30%.
